

Caleb Village in Saskatchewan
Moving Forward - Visitors
February 14, 2022

Caleb Village management and staff would like to thank family members and guests of residents for their support over the last two years while we were navigating through this pandemic. While the pandemic is not yet over and COVID-19 is still very much present in our communities, we are excited to be moving forward while we all learn to live with COVID-19.

The following is an update on the current COVID-19 protocols for all the Caleb Villages:

- Effective immediately, there are no restrictions on the number of visitors each resident can have.
- We ask visitors to continue to sign in and out at the front desk.
- The Bistro, dining room and communal areas within Caleb Village remain for resident use only.
- Effective March 1, mask use is optional for guests in Caleb Village.
- Please stay home when feeling unwell.

Caleb will review these protocols on an on-going basis and adjust as necessary to protect the well being and safety of our residents.
