

Caleb Village in Saskatchewan

Update for Employees

June 30, 2022

Vaccination Policy Suspended

Employees of Caleb Village are no longer required to be fully vaccinated or provide proof of vaccination for COVID-19. The management of Caleb Village **strongly encourages** all employees to follow the Saskatchewan Health Authority's guidance on vaccination for COVID-19.

COVID-19 Testing Policy

Employees of Caleb Village will still be required to perform an Antigen test for COVID-19 when requested by the General Manager. If the test is positive, the employee must leave the workplace immediately and follow the Saskatchewan Health Authority guidelines for a positive Antigen test.

Masking Policy Suspended

Employees of Caleb Village are not required to wear a mask while on duty. The management of Caleb Village can request employees to wear a mask in certain situations that require being in close proximity to residents. Caleb supports staff who want to continue wearing a mask while on duty.

These policies will be reviewed on a regular basis by both Caleb Management and the General Manager of Caleb Village. The policies may be adjusted in response to changes in COVID-19 being assessed a serious public health concern in each Caleb Village community and the province.
