

**Caleb Village in Saskatchewan**  
**Moving Forward for Visitors**  
**June 30, 2022**

Caleb Village management and staff would like to thank family members and guests of residents for their support over the last two plus years while we were navigating through this pandemic. We are excited to be moving forward once again and removing previous COVID-19 protocols.

The following is an update on the current COVID-19 protocols for all the Caleb Villages:

- There are no restrictions on the number of visitors each resident can have.
- We ask visitors to continue to sign in and out at the front desk.
- The Bistro and communal areas within Caleb Village are available for residents and their visitors.
- **Each Caleb Village community will have specific procedures for visitor access to the dining room and a guest meal. Please contact the General Manager for more information.**
- Mask use is optional for guests in Caleb Village. However, Caleb strongly encourages wearing a mask in public places and where you cannot physically distance.
- Please stay home when feeling unwell.

Management of Caleb Village will review these protocols on an on-going basis for each community and adjust as necessary to protect the well being and safety of our residents.
